Mr. V. K. Aravindaksha Menon *(Chief Engineer):* I rise to move for an additional allotment of Rs. 6,900 under "21-Civil Engineering-Building Repairs (Cranganur)".

In order to provide additional accommodation for the Malayalam School, Cranganur, consequent on the opening of the High School classes in the L. S. G. S., Cranganur certain improvements to the G. I. S., Cranganur were found necessary. The estimated cost of the works comes to Rs. 2,400 and the work has been entrusted to the contractor at 187½ per cent above the estimated rates. The total cost of the work will therefore come to Rs. 6,900 for which there is no provision in the budget nor are savings available. Therefore, an additional allotment of Rs. 6,900 is found necessary under Cranganur Budget-Buildings "repairs". I request the house to grant the additional allotment.

Mr. V. K. Aravindaksha Menon *(Chief Engineer):* I rise to move for an additional allotment of Rs. 2,782 under "21-Public Works-P. C. R.—Public Buildings and Palaces (Cranganur)".

The budgetted allotment for Cranganur P. C. R. works is only Rs. 378. But for the proper upkeep of the buildings and the efficient execution of the works estimates up to an amount of Rs. 790 had to be sanctioned. In view of the high cost of labour and materials the works had to be entrusted at 300 per cent above the estimated rates. An additional allotment of Rs. 2,782 has therefore become necessary under "P. C. R.—Public Buildings—Cranganur Bl.19/20-Cranganur". I request the house to grant the additional allotment.
